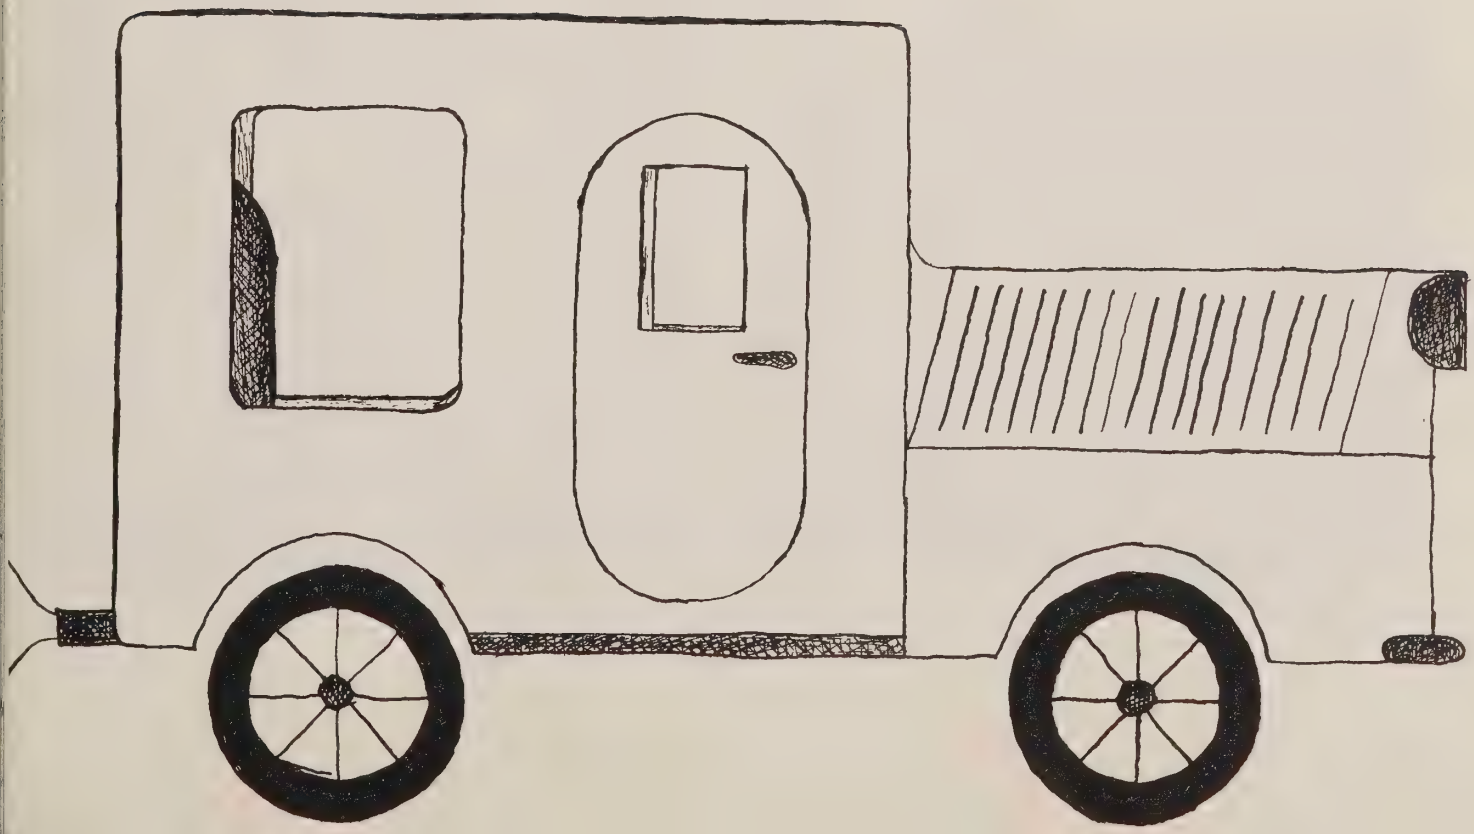
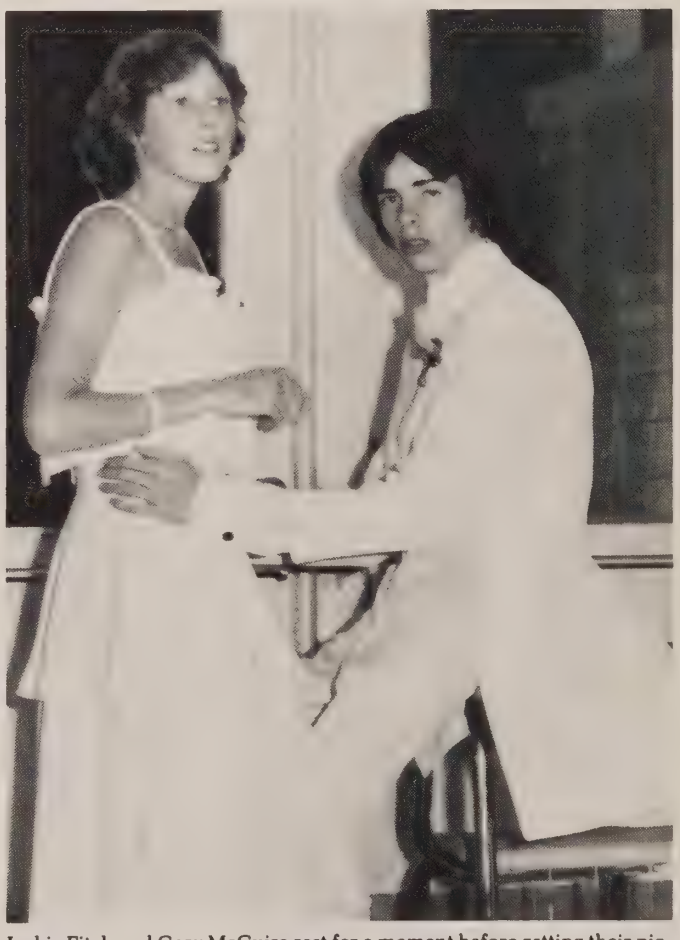
STUDENTS



Prom goers dance to the music of Bill Dell and the Rhondels.

Prom Night 1978, oh what a memory! On May 27, Juniors, Seniors, and their dates danced to the music of Bill Dell and the Rhondels. The Junior Class worked hard raising money for a band no one believed they could afford. Betty Titterington was chosen Prom Queen, a tradition that had been forgotten in years past. Everyone had a great time and will remember the evening for a long time.

Rita Nolan and Tim Tiller seem to be enjoying themselves as they dance.



Jackie Fitch and Gary McGuire rest for a moment before getting their picture taken.

A PLACE IN THE SUN

Betty Titerington is full of smiles after being chosen Prom Queen '78.

Students try out some of the specialties of the night.

Even though Hopewell did not win the Homecoming Game, the Devils did do a whole lot better than anyone had expected. Quarterback Wayne Marshall and the whole football team played a fantastic game of football on October 27, 1978. Even though victory would have been sweet, defeat was definitely not sour.

At halftime Becky Booker was chosen as Homecoming Queen for 1978. 1st runner up was Marshall Claiborne and 2nd runner up was Vickie Fraizer. Toy Spatig, Homecoming Queen for 1977, crowned the winner Becky Booker at halftime.

Homecoming princess Vickie Frazier escorted by Robert Turner and princess Jackie Fitch escorted by Gary McGuire walked through the flags as the band provides the music at halftime.

Homecoming Dance — Exciting and Cheerful

Becky Booker was crowned as Homecoming Queen the night before, her runners up were: First, Marshall Claiborne and Second, Vickie Frazier.

On page 17:

Junior Miss

On the night of September 30, the audience gathered together to see the nine girls participate in a (foot stomping) youth fitness routine. Then each individual girl did their talent or as it is known, creative and performing arts category. Following this, the girls performed their Poise and Appearance number to Mandy, came the big moment. Preliminary awards were given, then Miss Denise Holbert was named "Hopewell's Junior Miss," Denise went on to represent Hopewell in Virginia's Junior Miss Pageant in Roanoke on November tenth and eleventh. She spent a whole week in Roanoke gaining friends and experiences. Denise came home to find a Welcome Home Party with such guests as Mayor Blount and his wife, Mr. Bugnar, friends and Hopewell Pageant's members.

Denise Holbert, after being crowned Junior Miss, stands before the audience with smiles of joy.

Above: All nine contestants stand before the judges and audience with smiles for all. Right: Toni Couch was voted on by the other contestants as Spirit of Junior Miss. This is the girl liked the most during the pre-pageant activities.

Joy Harris played the piano and sang from "Babe's in Toyland." Robin Wells did a modern-jazz dance to "Come Sail Away." Rita Nolan did a ballet to "Raindrops Keep Falling on My Head." Judi Dane sang "No Time at All" from *Pippin*. Below: Tears of joy are shed by Denise Holbert, as she is named Hopewell's Junior Miss.

Becky Crowned Miss H.H.S.

On March 18, 1978, junior girls came out to participate in the Miss H.H.S. pageant under the guidance of Mrs. Mary Ann Harvey and Mrs. Diana Francis. Excitement rose as March 18 approached and the girls began wishing and hoping harder than ever that they would be crowned Miss H.H.S. to reign in their Senior year. Finally, after all the girls had been introduced, Miss Becky Booker was chosen to reign over Hopewell High as the new Miss H.H.S. Miss Missy Stinnett, the previous Miss H.H.S. crowned Becky when the final moment approached. Along with Becky, the winners included Robin Wyche as 1st runner up with Vickie Frazier winning 2nd runner up. The title of Miss Congeniality went to Miss Kim Toote and Miss Tricia Jones. As excitement began to ebb the audience filed out of the high school waiting to congratulate the winners.

Zinna Northington and Bonita Carr enjoy the activities of the Sophomore Dance.

Scott Baum and Pam Tingler dance to the music of "Homecooking."

Rhonda Bowman, 1st runner up; Beth Mabry, 2nd runner up; congratulate Portland Miles, Sophomore Sweetheart.

It was truly a dreamy evening on April 22, 1978 — a night that the sophomores of the class of "80" will never forget. The theme "Enter My Dream" was chosen and set off by an array of pastel colors to lighten the atmosphere. The music, by Homecookin provided for an evening of entertainment and dancing. While the band took a break, the "Sophomore Sweetheart" was announced. The "Sweetheart" for the class of '79, Denise Holbert, had the honor of handing her crown down to Portland Miles. Beth Mabry was selected first runner up and Rhonda Bowman was selected second runner up. This was a night that will be remembered in the hearts of those who attended. Thanks go to Miss Janie Pritchard because without her, the dance would not have been a success.

SOPHOMORE DANCE

S.E.S. visits Eng
The British and

On June 24 another group of Hopewell students along with Miss Louise Mann and Mr. Bugnar, made the trip to Newark, England, for a month long stay with students and faculty of the Grove Comprehensive School. And what a wonderful month it was! In addition to participating in the school life at the Grove, the students visited Sherwood Forest, Nothingham, Lincoln, York, Stratford-on-Avon, the North Sea, and finally London. Everyone agreed the trip was the most exciting experience of their lives; the majestic cathedrals, and quaint old buildings, lush countryside, scrumptious trifles and gatenus with layers of real cream, the kooks at Speaker's Corner in Hyde Park — everything was a delight. All departed on July 21, weary but determined to return to jolly old England as soon as possible.

1st row: Cheryl Kitchen; president, Eric Myers; v-president, Carol Brooks; secretary, Lori Chevalier; treasurer.
2nd row: Sheryl Butler, Kathy Laskey, Tammy Duke, Becky Langley, Jim Conrad, Janet Solier, Jackie Conrad.
3rd row: Sharon Slusser, Janet Gorkiewicz, Sherry Neddo, Jan Sumamal, Gail Lanning.

Even crutches can't keep Mr. Bugnar and students from sight-seeing.

Joe Hearington, Tommy Vance, and Lisa Harrison enjoy a moment of peace.

Land and Germany
Germans visit here

From June 27 to July 24 Hopewell High Students and advisor spent an enjoyable month in Germany. While there Mrs. Belinda Miller found that the Germans have misconceptions about Americans in such things as friendships beteween blacks and whites and thinking that people in America are rich because they own cars and houses. The German's asked the Americans questions about the education system and drug use because their system is strict and drug use is mostly unheard of there. The H.H.S. students and advisor and family members went to East Berlin for a day. They, the Americans, thought it quite different from anything they have ever seen before.

4th row: Donna Patterson, Heidi Freese, Patricia Keen, Marsha Lowe, Carol Pearson, Kim Bell.
5th row: Pat Garland, Mary Heretick, Sharon Comfort, Joe Hearington, Patty Winne, Lisa Latta, Mike Ward, Mrs. Brenda Lee, Sponsor.

"Just to Name a Few"

At last year's sports banquet, many trophies and honors were given. But, let's not forget that it is everyone's effort that makes a team.

Right: Twenty juniors, nominated by the faculty, were ranked on a scale by points. Nominees must be identified as among the most gifted or talented, must be residents of the Commonwealth of Virginia, must be in the top percent of their class, and active in school activities. The top three then applied to the GOVERNOR'S SCHOOL OF THE GIFTED. As Hopewell's representative, the state picked MISS LUCY BLEVINS.

Lucy belongs to the Beta Club, French Club, AHEO, and she is the Secretary of The Junior Class. Her hobbies include piano, waterskiing, and church activities.

The Optimist Club gave a banquet for the Boy's Baseball Team. The outstanding players received recognition.

"THE ROYAL FLUSH"

"Pranksters Decorate Schools" was the headline of an article that appeared in the newspaper on the day of the Prince George-Hopewell football game. The decoration was a johnny house, which had been placed on the front lawn of Prince George High School. The pranksters went to a lot of trouble building the house. The house was authentic. "There was a half moon painted on the door and inside was a Sears catalog." The five pranksters, who built and installed the johnny house, were Tommy Carr, Richie Edens, Mark Harrup, David Letson, and Robert Jeffreys.

The Varsity Cheerleaders started work long before school. After tryouts during April of last year, the girls immediately started practice. The cheerleaders went to camp the first week of August where they learned new cheers, chants, a pompom routine, and crowd control techniques.

The year found the girls traveling to Roanoke for the first football game against Northside. They also arranged for an outdoor pep rally for the Homecoming game.

The girls sold donuts and boosters to raise money for a new uniform which they were able to purchase in December.

JV CHEERLEADERS

Karen Johnson, on the left, and Lana Smith, on the right served as assistant head and head cheerleader respectively.

The Junior Varsity cheerleaders decreased in number from last year by one. They attended camp with the varsity cheerleaders and worked with the varsity squad on pep rallies and cheering schedules for girl's basketball games. The girls painted signs and purchased new pompons and megaphones to aid in promoting school spirit.

After being interviewed and accepted for the 1979 KALEIDOSCOPE production staff, the members (new and returning) began work. Ad sales began in the summer months before school reopened for the fall. With the start of school work on layouts, yearbook sales, deadlines, pictures and all the little individual parts that make the KALEIDOSCOPE your 'book of memories' got underway. Hard work from the summer months through February — on their own and at night meetings — realized the finish of this yearbook, your 1979 KALEIDOSCOPE.

In the summer of 1972 the President signed into law the Emergency School Aid Act (ESAA). This act created a program designed to provide financial assistance to local school districts and non-profit groups and were designed to eliminate, prevent, or reduce minority group isolation. The current project for which Hopewell received funding involves small group intensive work on reading or math skills in specially equipped laboratories.

ESAA is administered by the Office of Education of HEW.

The Student Advisory Committee is composed of students selected by the SGA of Hopewell High School. These students are selected from a list of students recommended by ESAA teachers and regular teachers. The committee is to include equal representation of "non-minority group secondary students and of such students from each minority group substantially represented in each such school." Two of the Student Advisory Committee members is on the District-Wide Advisory Board and attends meetings of that body each month.

Spanish Club Visits Washington

Members of the 1978-79 Spanish Club visited Washington this year and as last year they ate at a Spanish restaurant and visited a museum in D.C. In December a Christmas party was held where some of the members entertained with songs. The club also participated in the Winter Wonderland Carnival that was held in December.

They are involved in an exchange program with Canada. The French Club also participated in the S.E.S. Carnival held in December.

Beta Club . . .

The Beta Club was as active this year as it always is. They once again had a contest to see which class had the most spirit. All three classes bought "spirit links" but the Junior class turned out to be victorious. The Beta Club donated the money made to the animal shelter and the Convalescent Center. They, like every other club, had a booth in the Winter Wonderland Carnival. Their booth was a bake sale. After Christmas, the club inducted new members which was followed by refreshments for all.

Only 14 Juniors were accepted into the Honor Society in 1978 but that did not mean the club would be any less active. They participated willingly in the Winter Wonderland Carnival. They had a dart toss which at times seemed dangerous with all the wild shots taken by the kids that visited the game. They donated all money made at the carnival to the SES club. They sold candy for a money making project. In the Spring they inducted new members into the organization.

The Backhand Is Mightier Than the Volley

Although the record did not show it, the girls' spring tennis team had many individual achievers. Donna Williams and Donna Hobbs played doubles and singles in the district tournament while Kathy Bercaw and Beth Guizar paired up in doubles competition. A young team brightened future hopes for Hopewell.

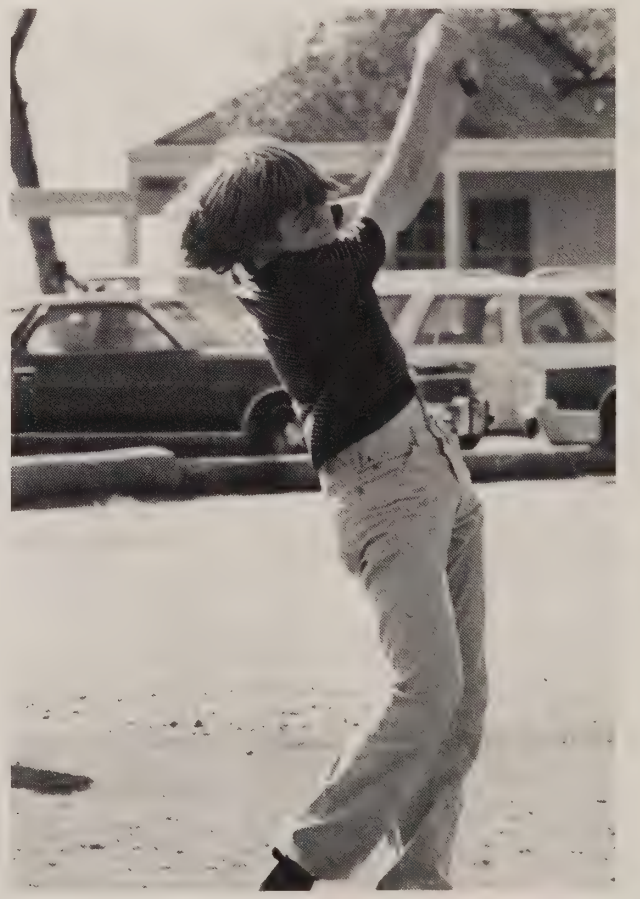
Mike Letson hitting on the first tee at Jordan Point Country Club.



Coach Bill Littlepage noted the biggest determining factor in the season's outcome was the lack of experience on the part of the players. He summed up the season as one where the team played well at times but was nosed out in the end of each meet.

He looks forward to next season because of the number of returning players. Two seniors, Mike Letson and Kenny Narron, played quite a bit along with Andy Joyce, Rusty Bell, John Partin, and Tim Roscher seeing some action. Mike Letson, Most Valuable Player, represented Hopewell in the Central Regional Tournament. Littlepage praised Letson's ability and said he would be a big loss.

"A 5-5 record did not show the true worth of the team. If we had been given a break here and there or not have made a couple of the mistakes that we did, we could have had a better season." These were the words of head football coach, Larry Carter, in reference to this year's season.

When asked who his better players were, Carter said that they were numerous. He praised his seniors for their determination but added that at times everyone tried too hard. Carter also noted the fine job the defense did at Northside. He felt that the offense performed excellently at Colonial Heights because people began to realize what we could do offensively and took pride in it.

Under Carter's guidance Bruce Daniel, Wayne Marshall, Willie Walker, and Willie Jackson were honorable mentions on the All-District team.

They Didn't Get Older, They Got Better

The girl's field hockey team was bound and determined to make this a good year. With only one win last year and at least ten returning players, Coach Kathy Bond had high hopes. The girls showed their immense improvement in many ways. The girls tied two out of the three times they played the number one team, Midlothian. They also chalked up more wins than last year's team.

Coach Bond cited seniors Toni Couch, Charla Ratliff, and Rosalyn Worthan as well as juniors Mary Armstrong and Portland Miles for their excellent seasons.

The girls made a fine showing in the District Tournament. Mary Armstrong, Toni Couch and Charla Ratliff were named to the All-District Team.

Devilettes - Better Than Ever

Johnna Casey weaves through opposing players.

HOPE, DESIRE, MENTAL ANGUISH.

These words say it all for the 1978 Devilettes season, according to Coach Jane Bishop.

A season starting with a great deal of hope and unlimited amounts of desire from all concerned saw the first half of the season as one of the greatest — it ended with a 10-0 record and first place all by themselves for our spunky ladies. However, the pressure of such success seemed to work against our girls for they dropped the first two games of the second half. The mental anguish of such a blow was not helpful but with cool heads and good playing, the girls finished with a 12-4 district record and a 14-4 overall record. The spunky ladies finished regular season in a tie for second place with Thomas Dale. A coin toss gave us third place in the District tournament.

Co-Captains Johnna Casey and Darleen Epps were also the leading scorers for the team, which also boasted three seniors scoring in double figures each game.

The Devilettes averaged 56.5 points per game while only allowing their opponents an average of 46.5 points per game.

The honors and distinctions were many — here are but three:

Most Valuable Player — Johnna Casey
Most Improved Player — Amy Harris
Career 1000 Points — Darleen Epps

Congratulations to our Devilettes for a fantastic and exciting season!

The other Central District teams didn't know what was in store for them. With such a young team, Hopewell was not considered a major district title contender. What the other area teams did not think about was the immense talent that Coach Bill Littlepage has for making gifted individuals into a powerhouse team. Hopewell, second in the regular season, finished as runner-up to Petersburg in the district tournament to gain a regional berth. This marked the ninth year that Hopewell has advanced to the regional tournament in the contest's twelve year history. With all of the starters returning, only two seniors leaving, and an undefeated junior varsity team to pick from, the future looks ever brighter for Coach Littlepage and *his* boys.

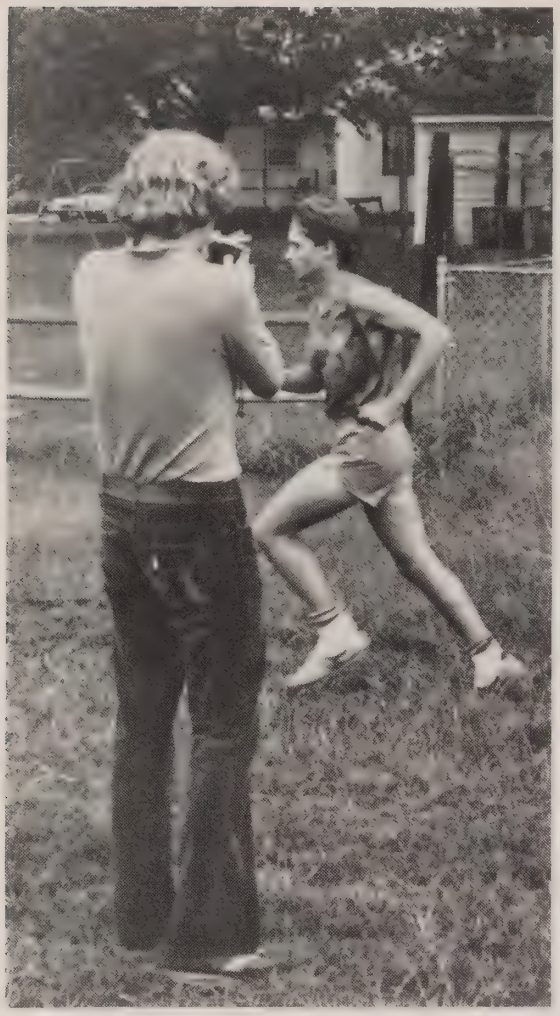
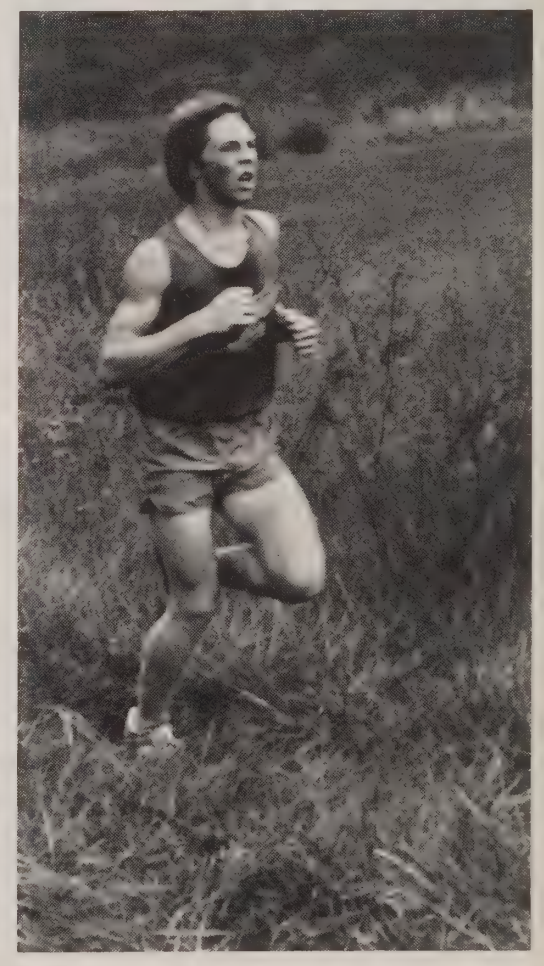
Injuries Plague Blooming Season



Coach Frank Whipp catches a split-time on Bruce Thomas.

Jeff Bartlett and Bruce Thomas head for the starting line while injured Stefan Calos and manager Stephanie Wheeler watch.

Bowen Hyatt shows the strain of running a cross country meet.



INJURIES and CONSISTENCY . . . these were the two keys to the 1978 Cross Country Season.

All of the runners from the number one man to the number five man were out with injuries at one time or another during the entire season. The most damaging injuries were to the co-captains. Stefan Calos was lost for the season and Jeff Bartlett missed the latter part of the season as well as the district meet due to illness. The leadership of both runners was sorely missed during meets, especially at the crucial part of the schedule.

According to Coach Whipp, the second problem faced by the Cross Country team this year was with getting all five runners to have a good race on the same day! Individually at least four runners all had exceptional races, but never in the same meet. Sophomore Bowen Hyatt turned in his best performance along with Senior Juan Goodman. Juniors John Jeffreys and Cavin Young both had good races at one time or another. Again, the problem was in getting them all mentally and physically ready to race in a given day.

Bruce Thomas, John Jeffries and Cavin Young display different emotions waiting for the start.

But — the Spirit's Always There!!

A MILE — A long way from home.

Jeff Bartlett and Wayne Marshall put on the final burst of speed coming down the homestretch in the 880.

Ronnie Charlotte keeps his feet in front of him as he hurdles home.

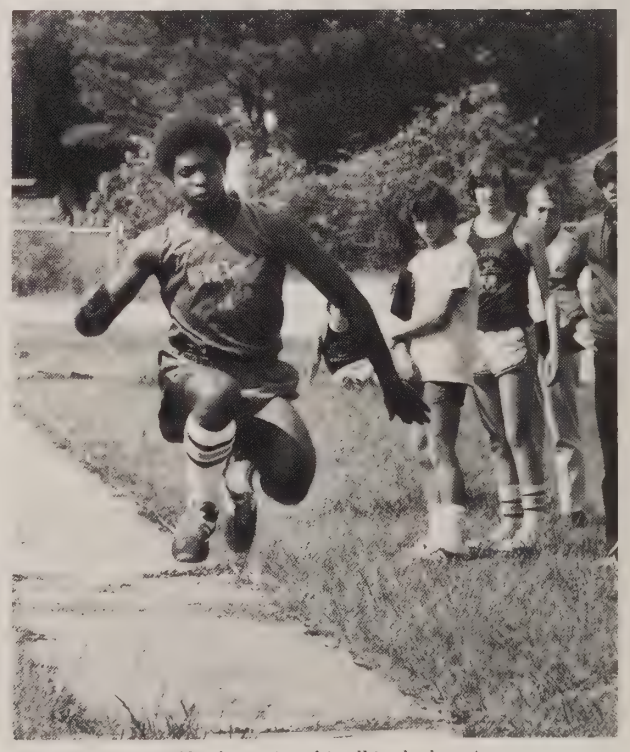
Dawn Thomas finishes the long jump with a leap and a bound.

Kim Toote and Robin Wyche keep Hopewell in front in the relay.

Wayne Outlaw turns on the speed after receiving the baton from Wayne Marshall.

This was a year for new coaches and new participation in boys and girls track. Two records were set this season. One of the records was broken by Albert Lee Harris in the high jump, 6'1". The other was by the 880 relay team, time 1:34.1. The 880 relay team placed 2nd in the district meet. Also, Madison Satterwhite placed 2nd in the high hurdles. The girls 440 relay team placed in the district meet. Mono Grier placed in the low hurdles at the district meet. The mile relay team also placed in the district meet. The 440 relay team was composed of Mona Grier, Kim Toote, Teresa Sharp, and Toni Couch. The mile relay team was composed of Karen West-Bey, Roxane Grier, Teresa Sharp, and Mona Grier. Coach Carter explained, "This was a year of building. Lots of young people performed well. A year to look forward to the future."

Coach Burrow measures a discus throw.



Ronnie Charlotte gives his all in the long jump.

Left to Right: Albert Lee Harris, Jeff Bartlett, Willie Walker, and Madison Satterwhite — District winning 880 relay team.

Rosalyn lets fly with the discus.

Under the direction of Coach Jane Bishop, the girls playing softball began practicing in February getting ready for their first game against Manchester.

There were many girls added to the team which made up for losing the Seniors who had graduated. The co-captains who dedicated much time and effort into the team were Johnna Casey and Karen VanMetre. Karen VanMetre was also chosen as the teams' "most valuable" player. Judy Merryman was cited as the "most improved" player.

Karen Van Metre pitches one of her fast balls at a game.

The team gets in shape for the upcoming season.

"With a face like this how can I miss?"

Practice, Practice, PRACTICE makes Perfect, Perfect, PERFECT!!!

A look on concentration shines on the face of Lisa Stanley, as the ball leaves the mound.

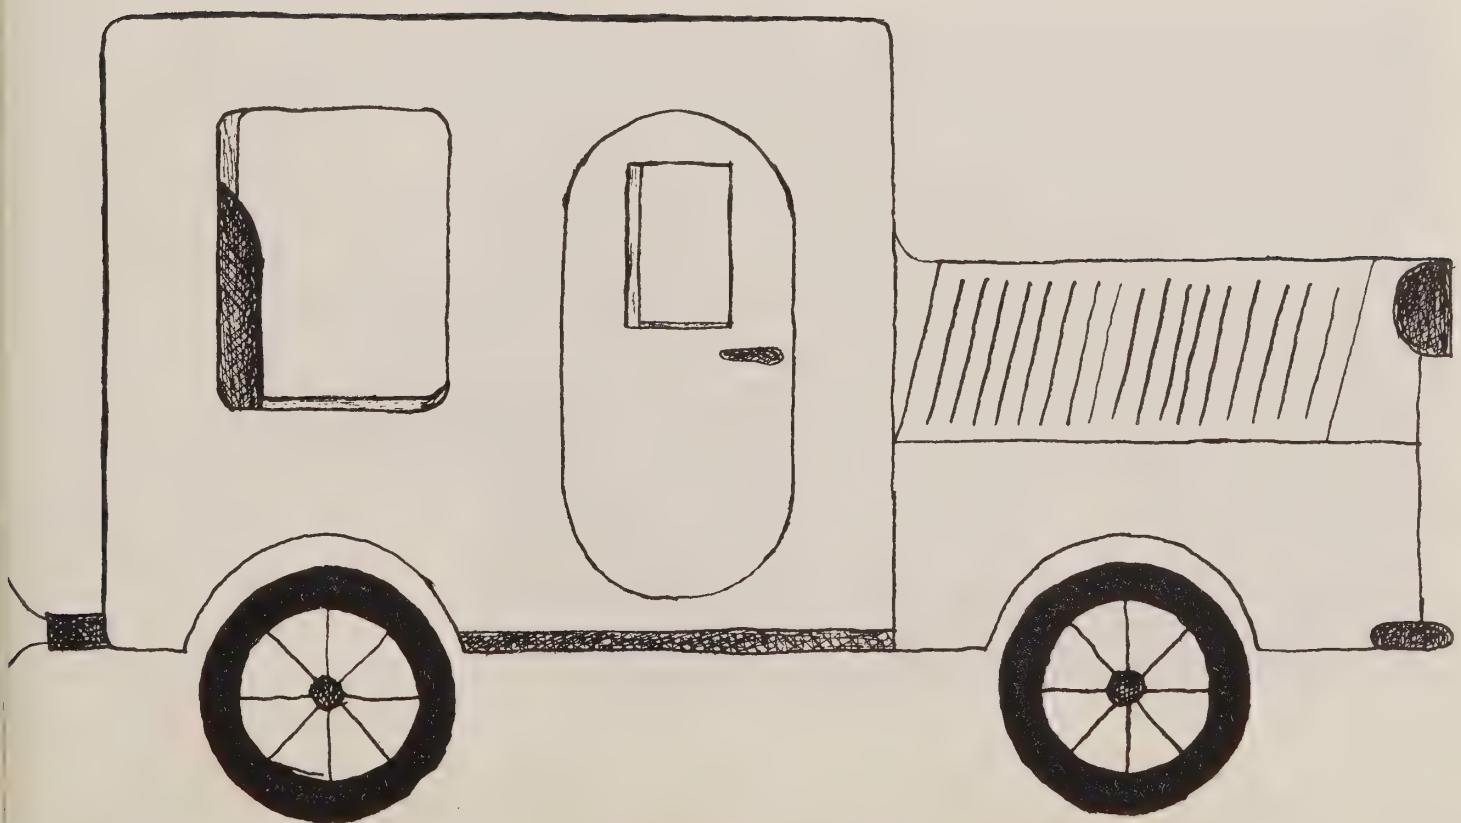
COMMUNITY

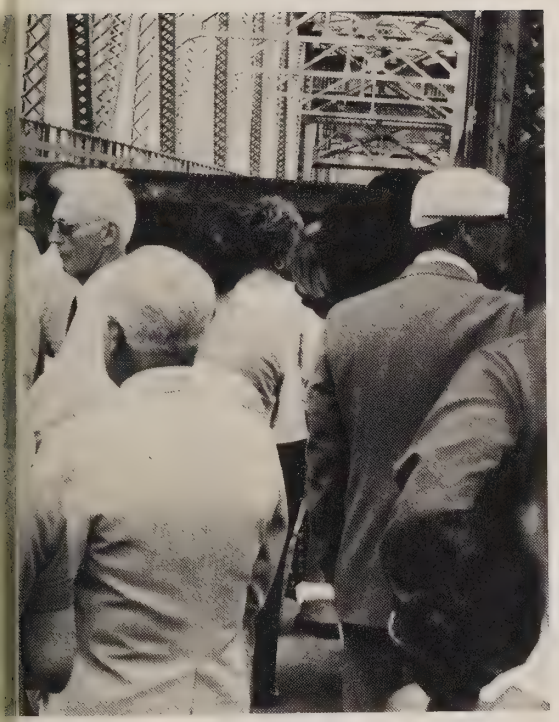


The Benjamin Harrison Bridge how it was in 1977.

On February 24, 1977 the Benjamin Harrison Bridge was hit by the tanker the Marine Floridian. It took over a year and a half plus many millions of dollars to repair the damaged bridge. It was a little while before a way to get back and forth across the river was put into operation. Eventually, ferries were put into use by the state so residents across the river could gain access to Hopewell. Finally in September of the year nineteen and seventy-eight the Benjamin Harrison Bridge was restored to its normal splendor and the every day use of it became a reality. The bridge was reopened with a ribbon cutting ceremony, with many city officials and Hopewell and Charles City County Residents in attendance.

Everyone prepares for the opening of the bridge.

The ferry will never ride again! Now that the bridge has been restored we hope to not have to see it again.



Cars line up alongside the bridge waiting for the opening ceremony.

John Travolta and Saturday Night Fever was only the beginning of the Disco craze. Soon after came these movies; Grease, Thank God Its Friday, and also many TV Shows. There are many Disco's now, both for teenagers and adults. Many people are wondering if this is just a fad or if it is here to stay. Lets hope it is around for awhile.

Republican candidate for Senator, Richard Obenshain, dies in plane crash.

Richard D. Obenshain was the Republican U.S. Senate candidate choice for the 1978 election. He, along with two other men, were killed while returning from a speaking engagement in Winchester, Virginia. When the plane he was in was about to land in a Chesterfield County airport, the plane crashed and immediately went up in flames.

Andy Miller addresses his political rally.

In the 1978 Virginia senate election, John W. Warner won by a margin of 3,504 votes out of 1.2 million. John Warner, a Republican, who ran against Andrew P. Miller, a Democrat, was a Nixon administration Navy secretary. $1 million was spent on Warner's campaign. A large portion of the money came out of his own pocket. Warner was appointed the Republican candidate in August after Obenshain died in a plane crash.

Senator John W. Warner gives a campaign speech.

Raymond Cunningham has the honor of posing with John Warner.

Mrs. Pate discusses matters with Senator Warner.

Acknowledgements

Without the cooperation of many, the production of the KALEIDOSCOPE would be impossible. In no way can words be enough to express all the gratitude we feel for the help and continuing support from all those who were asked and graciously contributed.

Mr. Hank Bilyeu and Mr. Chuck Gadinis of the *Hopewell News* gave us invaluable help in the offering of the unlimited use of their photos to supplement our own.

The faculty and staff of Hopewell High certainly deserve a great big vote of confidence for allowing us to interrupt and, at times, re-schedule classes.

Mr. Danny Defalco, our Taylor Publishing Company representative; Mr. Wilson Moore, Darryl, and Jim of Rem-Pac make the actual production of this book a reality.

The community support is very much in evidence in our ads section.

And you — the student body — support the KALEIDOSCOPE by buying your "book of memories."

The words THANK YOU may not truly convey how very much we depended on you but it is the best and most sincere of thoughts we can muster because you came through for us again.

A very special THANK YOU goes to the members of an area Antiques automobile club who loaned us their cars for the photographs you see on the endsheets of the 1979 KALEIDOSCOPE. The cars and owners are:

1927 Chevrolet	Mr. John Buyalos
1931 Ford pick up	Mr. L. M. Gravitte
1936 Buick	Mr. Glenn Morris
